Ending Child Marriages Article 25-A **#UpForSchool Petition**

We the children, youth and responsible citizens of Pakistan want an end to Child Marriages of girls and boys under 18 years of age. We want children aged 5-16 to get their fundamental right to education as per article 25 A of the Constitution of Pakistan. We want all schools in Pakistan to be upgraded to secondary schools so that all children up to 16 years of age-girls and boys are protected through adequate service provision; this will ensure achievement of Universal Secondary Education for ALL by 2025. We want our budget for education to be enhanced from 2 to 4% immediately to implement Article 25 A in each area/province for education and life skills based education (LSBE) as the best defense/protection for children's rights. We want NADRA to produce/upgrade a Child Protection Card for each child that is mandatory for all parents at the time of birth for ensuring that all milestones of health, immunization, education and marriage restraint are achieved as per the constitution of Pakistan.

We are ALL #UpForSchool. Count us in NOW in the million signature campaign for Ending Child Marriages through Education as the best protection!
